

DURANGO INTERAGENCY DISPATCH AREA

MOBILIZATION GUIDE

CHAPTER 40 - COOPERATION

Contents

This chapter contains a brief summary of the listed agreements, MOUs or operating plans. Complete copies of documents relative to the Durango Dispatch Area are available from Durango Dispatch Center.

INTERAGENCY AGREEMENTS AND MEMORANDUMS OF UNDERSTANDING FOR THE ROCKY MOUNTAIN AREA.

Miscellaneous information and definitions:

- Most agreements and Memorandums of Understanding (MOU) terminate after 5 years unless otherwise specified within the document. In most cases, a 1 year extension may be granted.
- The agreement start date is the last dated signature.
- *Agreements*: An Agreement is required if there will be an exchange of funds.
 - Fire protection areas need separate agreements (i.e., IA agreements by State)
 - Dispatch Centers do not need to do Local agreements because they are covered under the Master State agreements. All that is needed are Annual Operating Plans.
- *Memorandums of Understanding (MOU)*: An MOU is the same as a verbal agreement (parties agree to agree; an understanding). Funds cannot be exchanged with an MOU (must be an agreement).

This chapter contains a brief description of the Agreements and Memorandums of Understanding within and adjacent to Rocky Mountain Area Boundaries that apply to the Durango Dispatch Center area of influence. Complete copies of all agreements are on file at the Rocky Mountain Area Interagency Coordination Center unless otherwise noted. These agreements affect National, Area and Local mobilization efforts. National Agreements can be found in Chapter 40 of the National Mobilization Guide. DRC agreements and Operating plans have been included within this mobilization Guide, for reference.

Complete copies of all documents listed in chapter 40 are available through the Durango Interagency Dispatch Center. Please see below for a summary of each.

**Colorado Interagency Cooperative Fire Management Agreement, between
USDI, Bureau of Land Management, Colorado; USDA, Forest Service, Region 2;
USDI, National Park Service, Intermountain Region; USDI, Fish and Wildlife
Service, Mountain and Prairie Region; USDI, Bureau of Indian Affairs,
Southwest Region, Colorado State Forest Service and Bureau of Reclamation.
(expires 2016)**

This Parent Agreement establishes statewide authority for interagency fire protection assistance and cooperation between the above mentioned agencies, for mutual cooperation in fire training, prescribed fire, prevention, pre suppression and suppression activities.

1
2 **Memorandum of Understanding for the Fire Program Analysis System.**

3 This MOU sets procedures for interagency partners to work together as a
4 cohesive unit to fulfill common missions.
5

6 **BORDER AGREEMENTS/MEMORANDUMS OF UNDERSTANDING**

7 Currently, the Rocky Mountain Area has border MOU's in place which allow for resource
8 sharing/ordering between local dispatch offices across GACC boundaries. These MOU's cover
9 all the borders of the Durango Dispatch Center Area and those respective dispatch centers in
10 the Southwest and Eastern Great Basin Areas. This agreement provides for interagency fire
11 protection assistance and cooperation between bordering dispatch centers, for mutual
12 cooperation in fire training, prescribed fire, prevention, pre suppression and suppression
13 activities. The direct ordering between adjacent dispatch centers is authorized for the
14 mobilization of all their resources for initial attack and extended. In an effort to streamline the
15 process beginning in 2010, these documents are being replaced by the language that follows:
16

17 "Local Centers adjacent to one another may engage in resource ordering across
18 GACC boundaries. The sending GACC must grant approval to the local center
19 before any National type resources are sent across GACC boundaries. Depending
20 on National PL levels and/or NMAC priorities, the NICC may also require
21 approval. Resources sent across GACC boundaries cannot be reassigned
22 without prior approval from sending GACC/local unit."
23

24 **INTERAGENCY AGREEMENTS, MEMORANDUMS OF UNDERSTANDING AND OPERATING**
25 **PLANS FOR THE DURANGO DISPATCH CENTER AREA.**
26

27 Operating plans are documents which supplement agreements with specific, detailed, current
28 information, normally required on an annual basis.
29

30 **2012 Colorado Interagency Dispatch State-wide Operating Plan**

31 In accordance with the Colorado Interagency Cooperative Fire Management Agreement
32 (see 42.1),

33 This Annual Operating Plan (AOP) sets forth agreed upon services, staffing and funding
34 for the Rocky Mountain Area Coordination Center (RMACC) by specified agencies and
35 set forth agreed upon state-wide supplemental funding assistance for Colorado Dispatch
36 Centers. This plan is prepared under the authority of the Colorado Interagency
37 Cooperative Fire Management Agreement, section 10, Interagency Dispatch Centers.
38

39 **2012 Durango Annual Operating Plan for the Durango Interagency Dispatch Center (DRC)**
40 **and Interagency Helicopter Program.**

41 In accordance with the Colorado Interagency Cooperative Fire Management Agreement
42 the purpose of this AOP is to coordinate wildland fire management activities between
43 agencies within the area of influence of the Durango Interagency Dispatch Center
44 through a single dispatch / coordination center. The AOP provides additional funding for
45 Durango Dispatch Center and the MVP interagency helicopter program.

46 The MVP helicopter is an interagency funded helicopter that will be utilized as a DRC
47 resource and will not be release out of the DRC area unless agreed upon by local
48 managers.
49

50 **2012 Southwest Colorado Annual Fire Operating Plan**

51 In accordance with the Colorado Interagency Cooperative Fire Management Agreement
52 (see 42.1), the counties within Southwest Colorado have created an annual operating
53 plan. These counties include: Archuleta, Dolores, La Plata, Montezuma, and San Juan.
54 The following is a summary of those Operating Plans information of particular
55 importance. County specific exhibits relative to contacts (ch 50), personnel (ch 60), and
56 equipment (ch 70) are located within the applicable chapters of this mob guide. The
57 SWCO counties AOP can be obtained from DRC or Colorado State Forest Service –
58 Durango District Office.
